

Dear Parents and Carers,

At Guildford Nursery School you will always see the staff at the level of the children.

You will see the staff paying attention to what the children are doing and saying.

You will hear the staff responding to the children.

You will hear the staff extending the children's learning.

This is high quality teaching!

It is lovely seeing so many of you at our 'Come and Play' sessions this week. Thank you for finding the time to join your child in nursery.
